

THE FOUR WAY TEST

- IS IT THE TRUTH?
- IS IT FAIR TO ALL CONCERNED?
- WILL IT BUILD GOODWILL AND BETTER FRIENDSHIPS?
- WILL IT BE BENEFICIAL TO ALL CONCERNED?

THE MARIN SUNRISE TIMES

March 10, 2010

President **Alan Olson** called our meeting to order at 7:30 am. **Gus Catechi** was the greeter and led the pledge.

INSPIRATION: **Gus** noted the accomplishments of **Benjamin Franklin** and gave us this quote:

Be civil to all; Sociable to many; Familiar with few; Friend to one; Enemy to none.

VISITING ROTARIANS:

Robert Kosbie – East Fresno

ANNOUNCEMENTS:

- We have 10 members who have made their yearly Paul Harris contribution. **Dr. Earl Johnson** suggests that if you don't think that you can give the whole amount, giving what you can would still be a good idea.
- Cristy Egan** put in her check along with another for the Food Bank.
- At the Bodega Bay work day on Saturday the 13th, Room dividers and the stairs were installed. Left until the next time is the construction of a banister and painting.
- Jeff Buck** is still searching for volunteers to bowl for Marin Sunrise against Harbor San Rafael in the BB/BS Fundraiser. He also is selling raffle tickets for the Twin Cities Preschool at \$5 each and 5 for \$20.

GOOD TIMES:

- (Predicted) Dr. Peter and Gisela Mellini** will be going on a 2-week trip to Japan.
- (Predicted) Matt and Motoko Kawajiri** will soon be on their way back to Japan for their twice-yearly migration. **Matt** advised **Peter** and **Gisela** to be wary of the high-tech toilets in Japan, especially the Toiletota brand.
- Ken Tarrant** said that he will miss **Matt**, who will be unable to join him at the Red Sox opener. He is happy that his alma mater, St. Mary's College, is NCAA bound.
- Dr. Mike Osborne** is happy (we think) that his driveway is being replaced because the contractor was unhappy with the results of an unexpectedly early rain on the setting concrete.
- Christie Kennett** just returned from PETS. She says that she is now "rarin' to go" into her term as president.
- Dianne Chute** had a three-day respite from the pain she has recently experienced. She credits the new treatments she has been receiving.
- Gus Catechi** contributed an unusual wine to the auction. It is a private label blended Grandfathers because it was made by John Hanna and John Madden, who are compadre grandfathers.

SPEAKER: Rosanne Nagel – Golden Benefits - *Long-Term Care*

Long-term care is an insurance policy that provides for the expenses of beneficiaries who need care outside of the hospital setting. Policy lengths range from as little as two years to as long as the policy holder survives. The benefits can be fixed or augmented for expected inflation.

The complexity of the options and conditions of this type of insurance added to those of Medicare or other retirement medical policies are such that the help of professionals is extremely important in order to make intelligent coverage choices.
